Services

Terri A. Kuchulis is an experienced CPA offering a complete range of accounting and consulting services to meet the needs of your business and improve your bottom line!

- **ACCOUNTING SERVICES**

Meaningful, well-organized financial records ensure that your business operations will run more efficiently on a daily basis and your cash flow won't be a surprise. Timely and accurate financial records are essential to a successful business. Understanding your financials and your financial position today helps you plan for tomorrow. I offer a wide range of accounting services designed to meet your needs and cost requirements. I listen to your concerns and needs and then identify and discuss options with you to help you maximize your profitability and cashflow. Together we design a service that best fits your needs.

- **BUSINESS ENHANCEMENT SERVICES**

Businesses today face many complex challenges that can threaten their very survival. I offer my expertise as an experienced business person, and a CPA, to help you achieve your business goals, navigate through these challenges and grow your business. I can help your business identify areas negatively affecting profitable growth and develop practical and sound solutions that increase efficiency. I provide comprehensive, flexible strategies that address the issues affecting your business and reduce your taxes, as well as acting as a sounding board for management.

- **FINANCIAL SOFTWARE CONSULTING SERVICES**

Selecting, designing, and implementing the appropriate financial software to improve the way your business accomplishes its mission and increases profitability is a critical step for your organization. Let me help with this opportunity to refine business processes, increase efficiency, and build capacity. I have extensive experience in both multi-million dollar ERP systems and small business stand alone systems. In addition I hold the QuickBooks Certified ProAdvisor designation.

- **DEBT AND FINANCING SERVICES**

Debt management and the evaluation of financing options are critical business and personal issues. Let me use my experience, and numerous contacts in the financial industry, to assist you in securing financing for your business or personal needs or consolidating your current debt to a more manageable level.

- **TAXES**

Major tax law changes have occurred in 44 of the past 47 years. Because the tax code is so complicated most individuals and businesses retain professions to prepare their tax returns. Let me reduce the pain of individual and business tax filing and reduce your taxes.

If there is a service I do not provide, I am more than happy to refer you to a qualified professional through my numerous contacts in the financial industry.

Exploring how your company can benefit is easy - call or email me now
to arrange a time to discuss your business needs.
